Early Magic with a Phantom Walkback

Enjoy the end of your Thanksgiving weekend at Kennywood during the seventh annual installment of Holiday Lights. The park is decorated with hundreds of thousands of holiday lights in addition to the rides and foods that are always a part of any trip to Kennywood. There is no formal event registration, but we've arranged for ACE members and their guest to enjoy a special discount, early admission and the opportunity to take a behind-the-scenes walkback of *Phantom's Revenge* for some stunning views of its legendary second drop (see image below), where the group photo will take place. Attendees must enter the park by 4:20 p.m. to be admitted early. Attendees will also have the chance to line up for Polar Express in 4-D before the general public enters the park. There will of course be a number of ITOTs (Informal Take Over Times) on various rides and the Polar Express 4D Experience. If temperatures for the evening are expected to be below 40 degrees, ACE Western Pennsylvania will provide a limited number of complimentary hand-warmers for event attendees. Note that the walkback is contingent of favorable weather conditions. In the event of snow, sleet or rain, another activity may be substituted.

A Very Merry Discount

Kennywood is graciously offering ACE members a reduced park admission price of \$16.00 (inclusive of \$1 amusement tax) to attend this event. (\$3 savings off the gate price). Beginning at 4 p.m. on the day of the event, ACE members may purchase discounted tickets at the park's Group Sales Office (at the front gate) by presenting a valid ACE membership card and may purchase tickets for guests as well, at the discounted rate. Discounted ticket sales will end at 5:30 p.m. Discounted tickets are valid this night only. Cash or credit cards are accepted. Eligible season pass holders may also use their season pass to enter the park. If you arrive after 5:30 p.m., you may purchase full price-admission tickets at the front gate ticket booths.
